PROFICIENCIES:

Design:

Research
Product
Storyboarding

Hardware:

digital circuits
Arduino
PIC microcontrollers

Prototyping:

Model making
Metal working
Wood working
Digital prototyping

Applications:

Adobe creative suite
Solidworks
3D Studio Max
Eclipse

Programming:

Java/Processing, C++, PHP, MySQL
databasing, html, css, Javascript,
LDAP, Android

INTERESTS:

Scuba Diving
Sailing
Hiking
Travelling
Programming

EDUCATION:

Victoria University of Wellington, School of Design.
Bachelor of Design, Industrial Design.

Exchange with Carnegie Mellon School of Design, Fall 2007 & Fall 2008
